

Roscoe Downed In Continuation Of Pipers Win String

A badly crippled band of Roscoe Plowboys gave early evidence of exceptional strength in their District 6-A game with the Hamlin Pied Pipers on the local gridiron last Friday.

Winners of the toss prior to the start of the game, the Roscoe aggregation chose to receive the kickoff and featuring the running of Teetles Buckner, they racked up three first downs that brought doubt to Hamlin followers that the Pipers could stop their running game. The Pipers finally braced on their own 35-yard line and forced a short kick that gave them possession of the ball on the 22-yard line as tension was relieved in the stands. Sugar Green came through with a 17-yard carry to net a first down for the Pipers and then Roscoe broke into the attack to rack up losses that forced a punt from the toe of Don Rowland. Back came Roscoe for another first down which allowed them to open up with the feared aerial attack with Luke Pointer heaving the pighide. This failed to net a first down, however, and Green and Tuffy Ford again brought the ball back to approximate midfield as the first quarter ended.

A penalty and a quarterback sneak by Billy Sutherland chalked up another first for the Pipers as the second quarter started and Tuffy Ford slipped through for a 36-yard pickup behind some beautiful blocking by Sugar Green, only to fumble on the Roscoe 26. Billy Sutherland came through with a tackle that stopped Buckner from breaking into the clear and forced another Roscoe kick. Here Ford, Gregory and Green started their march to the Roscoe goal in a ground attack that provided four first downs. Sutherland chimed in with a 18-yard jaunt in a surprise maneuver during this surge to pay dirt.

Ford slipped over right tackle for the tally and this marked the first score of the ball game. W. T. Stapler kicked the ball short of the cross bars in his try for conversion.

Stapler kicked off to Clifford Burnett on the Roscoe 20 to again put the ball in play and Hub Hopper broke through to nail Pointer for a ten yard loss. Captain Asa Goodgame fathomed the next play for no gain and then Pointer registered his prettiest pass of the night when he tossed to Burnett for a 28-yard gain. Hamlin stepped in here and held to force a punt from the toe of Bucker. W. T. Stapler crashed through to block the kick and Asa Goodgame came up with the ball on untouched over the goal line. The run covered 38 yards. Stapler took dead aim on this try for the point and fired it through there for the point.

Captain Stapler kicked off to the Roscoe 10 from which point it was returned to the 32-yard line as the first half ended.

Score was Hamlin 13, Roscoe 0. Hamlin exercised their option in receiving the kickoff to start the second half and whatever inspiration had been stimulated in the Roscoe club was quickly cooled when Don Gregory broke into the open and reeled off 58 yards in a touchdown gallop. Most noteworthy in this dash was the manner in which each man played his part in the blocking that permitted Gregory to get away.

Stapler again added the point to bring the score to 20 for Hamlin and no marker for the Plowboys.

Kenneth Plunkett received the kickoff and returned the ball well from his own goal line to the 33 but injuries began to slow up the Roscoe attack and Sugar Green nullified a good punt with a 19-yard return.

Coach Jess Burditt began inserting substitutes at this point and after Milton Butler had run for yardage which was added to by a pass from Sutherland to Asa Goodgame, James Maberry dashed through a hole at left tackle and went to the Roscoe 3-yard line. Nifty running and side-stepping on this play was to no avail when a penalty brought the ball back to the original line of scrimmage.

(Continued on Page Eight)

Norris Shira Chosen For West Point Honors

In a news release from West Point, The Herald has been advised that Cadet Norris Shira, son of Mr. and Mrs. Ezra Shira of Hamlin, was recently promoted to the rank of corporal in the U. S. Corps of Cadets. This promotion came as a distinct honor, as command positions are determined by standings in aptitude for service, based on semi-annual ratings of each cadet by every other cadet in the company, by his instructors, and by his company tactical officer. In these ratings Cadet Shira has consistently stood first in his class.

Before being appointed to the Military Academy by Senator Tom Connally, Shira served for three years in the infantry, reaching the rank of second lieutenant. After graduating from Hamlin High School in 1943, he attended Texas A. and M. College where he won letters in both football and track.

At West Point he is an outstanding lineman on the Army football team and also puts the shot on the track team. Upon his graduation in June of 1952, Shira plans to rejoin the infantry.

Boys' Town Youth Apprehended Here

A flurry of excitement resulted from the discovery that Hamlin had a visit from a former resident of Boys' Town, Nebraska, last week.

Ronald Fellman, 15, arrived in Hamlin on October 22 after leaving the famous Nebraska home on October 18. The lad arranged for lodging at the White Plaza hotel with the statement that he was a cotton boll puller. One day of activity in that labor convinced him that he was not suited to the work and he sought work as a dishwasher at the Bluebonnet Cafe. Failure to have a social security card led to an investigation by Chief of Police Foster and the youth finally admitted his identity.

The lad was taken to Anson and provision was made for his transportation back to the Nebraska school, return to which he had been released.

Young Fellman praised the Boy's Town project very highly and he could offer no particular reason for his departure.

No restrictions are placed on the boys at this school and they are free to leave at any time. No effort is made to influence them to return, however, and Fellman returned of his own choice.

Lions Hear Song Program Tuesday

Lions Club of Hamlin in Tuesday session, was entertained with a return appearance of Johnny Ramsey, Abilene Christian College baritone.

Ramsey was accompanied by Miss Tommie Farris in rendition of three songs for the club's enjoyment. Included in the group were "Without a Song," "Perfect Day" and "Envisage." Although Ramsey was frequent in his apologies for being in poor voice because of rooting for a football game, the club personnel was universally pleased with his offerings. Miss Farris played "Summertime" from Porgy and Bess as her portion of the entertainment.

Prior to the program Miss Lanelle Sullivan, speech and physical education teacher from the Hamlin High School, outlined the work that will be involved in the presentation of the minstrel that has been selected as a club activity in November. Miss Sullivan will direct the minstrel. She was accompanied to the meeting by Miss Jeane Wooten, social studies teacher.

Chief To Show Movies To Rotary Next Week

Chief W. E. Nolan of the Naval Recruiting Station of Abilene will show Hamlin Rotarians a movie treat next Wednesday.

Pictures will be of the Army-Navy Football Game of 1948 and the Invasion of Iwo Jima.

Matchett Well Has Set Surface Casing

Oil programs were principally on a drilling ahead schedule in the Hamlin area this week with new wildcats in the process of being drilled and locations sought for additional activity.

Ungren & Frazier have completed their J. P. Roberts Number 3 for 203 barrels in eight hours on one-quarter inch choke.

This well is in the East Hamlin field, seven miles east of town.

Sky High Oil Company has plugged their Joe Culbertson Number 1 as dry with no commercial show.

Bridwell Oil Company is drilling ahead on their J. M. Alexander Number 1, which is an offset.

Warren Petroleum Company set to the W. J. Bryan producer, surface Tuesday on their Bill Matchett Number 1 which is being drilled on the old Pat Collins land adjacent to the city. Drilling operations were resumed Wednesday night following the allotted setting time for cement of the surface.

T and P Coal and Oil has released information on their Number 1 Velta P. Toler in which they announced that they had drilled to 6,010 feet for an Ellenburger test and acidized at that depth. The well failed to flow after acid-announced whether they will in-ize and the operators have not stall a pumping jack or acidize additionally in an attempt to make the well flow. There is some consideration being given to plugging back to the Swastika where this well created a sensation with a formation test while the well was being drilled.

Twenty Members Sign In Golf Club Drive

Reports at the conclusion of last week revealed that the Lakeview Golf Club membership drive had led to the enrollment of 20 members as participants in the move to install grass greens as a replacement for the sand greens now in use.

Holly Toler and George Poe have volunteered as workers for the movement and the members have been secured through their efforts.

A minimum quota of 30 members has been set through registration of which the program may be carried out. A possible source has been found for the pipe necessary for the proper watering of the greens after the grass has been sown.

Mrs. Edith S. Davis Victim of Accident

Death came to Mrs. Edith S. Davis, wife of Delbert Davis of Hamlin, Thursday, October 19, as the result of a three-way traffic crash which occurred Saturday, October 15 on Farm to Market Road 57.

Mrs. Davis, 40, was an occupant with her husband and family in a passenger car which was in collision with a car driven by Eugene Kiser of Sylvester. The accident happened when a pickup driven by Jimmie H. Cole of Iowa Park, hooked the Davis car in attempting to pass, throwing the Davis car into the path of the Kiser auto.

Mrs. Davis proved to be more seriously injured than it was at first believed and efforts to save her life were unsuccessful.

Survivors of Mrs. Davis include the parents, Mr. and Mrs. Edd Gibson of Golan; six daughters, Mrs. Manoy Riley, Wilma Fern Davis, Margaret Pearl Davis and Merle Davis all of McCaulley; two sons, George and Gerald Davis; four sisters, Mrs. Pratt Cox and Mrs. Doc Lawless of McCaulley and Mrs. Truitt Jeffries and Mrs. Avis Jeffries of Golan, and Mrs. Estelle Self, Sweetwater and Mrs. Monk Herron, Shallowwater. Also surviving are two brothers, Buddy Gibson, McCaulley and J. W. Gibson, Golden.

Funeral services were held at the McCaulley Methodist Church with Rev. J. W. Jackson, Rev. Fulgha and Rev. J. W. Wayne officiating. Burial was in the Golan cemetery with Barrow Funeral Directors in charge.

BILL D. DEEL, above, son of Mr. and Mrs. Bill Deel of Hamlin, recently finished his boot training at San Diego, California. At last report he was convalescing from injuries received while in a training flight and is recovering. He is training for AA3c in the U. S. Naval Air Corps.

Merkel Badgers To Contest Pied Pipers

Hamlin's Pied Pipers engage a mighty Merkel Badger football team on the Merkel gridiron tonight at 8:00 p. m.

Hamlin takes an unblemished District 6-A record into the game tonight and Merkel is determined to upset the apple cart for the Pied Pipers.

Regulars on the Pied Piper club saw only limited service in the game against Roscoe last week and are in good shape for the Merkel encounter.

Outstanding performers for the Badgers are Campbell, an all-district lineman last year and Willie Robinson, quarterback and very fine passer. This pair will be augmented by Joe Dell Gregory, hard running halfback and the trio bid to make an interesting evening for the Pipers.

The attitude of the fans supporting a football team is often reflected in the play on the field. Incidents that occurred when these teams met last year are still fresh in the minds of partisans of both clubs. Open hostility is bound to be transmitted. It would, therefore, be well for Hamlin rooters to give the Badgers an opportunity to play hard and clean football before judging the team prior to the opening kickoff.

Coaches Burditt and Townsend have been building up offense and defense specifically for this game and newly developed players are expected to flash some hipper dipper play that will be a surprise to the followers of the team.

No official information was offered as to whether Sugar Green would again assume a blocking role to pave the way for Tuffy Ford. Polish is being added to downfield blocking, a department in which the team showed decided improvement against Roscoe.

Hamlin sent the Mighty Mice and B team to Haskell for games last night but Head Coach Burditt had announced his intention of withholding all first line performers as insurance against injuries in the Merkel game.

Fortunes have taken an up-turn for the Mighty Mice with two consecutive victories under their belt. The Mice handed Anson a 6-0 setback October 12 and went to Snyder October 19 to trounce that team 13-6. Billy Hugh Ray and James Boyd scored the tallies in the Snyder game.

Last Thursday night the B team featured some fine running by Joe Don Hymer in the first half of their game with the Stamford B. Hymer counted with two touchdowns in the opening half and the B squad blocked a punt that was converted to a touchdown in their 18-12 victory over Stamford.

TEACHES BOOK AT TRENT

Mrs. A. R. Posey taught a Mission Study Book at the Trent First Baptist Church Tuesday. It was an all-day meeting with a covered dish luncheon served at noon.

Schools Not Legal If Held At Night Says Federal Office

Establishment of night school classes as a means of providing labor for harvesting the 1950 cotton crop in Jones County proved to no avail when an edict was issued early this week from the U. S. Department of Labor.

A statement issued from Washington declared the formation of night classes as an illegal move and prospects are that allowance for this provision will not be made in determining guilt of offenders in the use of school-age labor.

Thus far Roscoe is reported to be the only school which has been officially notified of this action by the department and efforts are being made elsewhere in the section to obtain a ruling.

Congressman Omar Burleson has taken steps to learn where the government department obtained its authority to make such a ruling and matters are being held in abeyance until such information is procured.

Burleson has protested to the Dallas office of the wages and made as to the time of day in hours office that no stipulation in which classes for cotton laborers are held. Action of that office was that four hours of school must be held between morning and evening hours.

Burleson stressed the importance of considering the local problem rather than a general picture in reaching a decision in the matter and he stressed the necessity of leaving settlement of school matters in the hands of school trustees.

Although no official action has been reported in the Hamlin vicinity, agents of the department of labor are understood to have been active here during the past week.

Night Classes Formed Have No Attendance

In an effort to provide labor for the harvesting of the cotton crop surrounding Hamlin, the local schools have established night school in duplication of other towns of the area.

Superintendent I. R. Hutchingson reported that 40 pupils had registered for the courses but attendance had thus far been negligible.

Continuation of the classes will hinge on action taken by the U. S. department of labor on current controversies.

Rotary Club Hears Student On Arts

Hamlin Rotary Club had a triple treat this week at its noon luncheon Wednesday.

Donald Johnson, Junior Rotarian for the month of October, told of the Art Class being taught at the local High School and showed some charcoal drawings to the assembled group. Miss Parrish is teacher of the group.

Mrs. Tate May told the club of her visit to the United Nations assembly recently at an afternoon session. There are 59 countries represented each having one vote at temporary buildings at Flushing, New York. She told of only five languages being spoken at the meeting.

Tate May told the club of the couple's recent trip to Illinois, Minnesota, Connecticut, Massachusetts, Washington D. C., New York, Canada. He told of his visit to Rotary International at Chicago, Illinois.

The club had three visitors from Abilene and one from Tahoka. Joe Gray of Abilene was a guest of Randy Randerson also of Abilene and K. K. Francis was a guest of Mac Brundage.

Royston Scene of Fifth Sunday Singing Meet

Fisher County's Fifth Sunday Singing Convention will hold a meeting Sunday at Royston, according to a report by Buddy Murf, president.

Singing will start at 11:00 a. m. with an all-day affair and dinner served on the ground.

Snyder Game Tickets On Sale at Drug Stores

Snyder-Hamlin football game tickets are on sale this week at all local drug stores.

Reserved seat tickets and general admission tickets will be offered those wishing them. It is urged that all Hamlinites wishing tickets to buy them early as the Snyder-Hamlin game is homecoming day for Snyder.

Mrs. D. O. Sauls Passes Saturday

Mrs. D. O. Sauls, 77, died at 3:15 p. m. Saturday in Hamlin Memorial Hospital where she had been under treatment for pneumonia. Just prior to her death she had shown sufficient improvement to permit relatives to return to their homes, only to die unexpectedly from a heart attack.

Mrs. Sauls was born Mattie Laura Johnson at South Bosque, Texas. She married D. O. Sauls in 1894 at Jonesboro, Texas. They moved to Gatesville in 1900 and moved to Hamlin in 1906.

Mrs. Sauls was preceded in death by her husband in 1939.

She was a charter member and helped organize the First Methodist Church in Hamlin. She held a life membership in the WSCS of the church she helped found. Mrs. Sauls was director of the Golden Cross of the church and for more than 35 years she was a teacher in the primary department of the church school.

Last June she was in charge of the primary group in the church's vacation Bible School. On last Mothers' Day she was presented a corsage by the church for being the oldest mother in attendance on that day. Mrs. Sauls also was a past worthy matron of the Order of Eastern Star.

Funeral was held at 2:30 p. m. Monday in the First Methodist Church with Doctor Will C. House, pastor, officiating. Burial was in the East Cemetery under the direction of Barrow Funeral Home.

Survivors include a daughter, Mrs. Martin McCain, Houston; a granddaughter, Mrs. Allen McLane, Houston; and two sisters, Mrs. Molly Oats and Mrs. Della Overton, both of Dallas.

Burleson Describes Vote on Labor Law

Application of the Child Labor provisions under the Fair Labor act to cotton pickers is an example of a lack of understanding on the part of Washington officials, Representative Omar Burleson said in a statement to The Herald this week.

In the statement to the press, he explained his opposition to the 75c minimum wage law.

Burleson is one of the four Texas congressmen who voted against the measure as it was finally amended and passed in 1949 by a vote of 361-35.

"I did not support the 75c minimum wage law passed by the congress in 1949 and which amendment to the law has brought about this situation with Mexican cotton pickers, because I felt it did not fit the pattern of our country," Burleson said.

"The Labor Department of the Federal Government seems to take the proverbial mile when an inch is given and frankly I have not supported measures to be administered by that department for that reason.

"The application of the Child Labor provisions under the Fair Labor Standards Act to cotton pickers is really ridiculous. It is another example of a lack of understanding on the part of the Washington officials, although it is true that Congress made the authority possible.

"As one of only 35 out of 435 members of congress who voted against the measure and one of four of the 21 members of Congress from Texas, I feel fully justified in my actions and particularly since the results are now showing up."

Christmas is not a legal holiday in Kansas.

An orphan car is one that is no longer manufactured.

McMURRY'S AIR ARM—A passer par delux is Doyle Dean pictured above who will pass for the Indians Friday in his game against Austin College.

Lion Minstrel Set For November Date

November 16 has been set as the night on which the Hamlin Lions Club will present their negro minstrel as a Fall entertainment feature under the administration of President Jim H. King.

Miss Lanelle Sullivan, head of the speech department in Hamlin High School has consented to direct the minstrel and assignment of individual parts in the presentation will follow receipt of additional copies of the outline which have been ordered.

Plan of the club is for each of its members to perform in some capacity during the approximate two hours that will be consumed in its presentation.

The entertainment will follow the accepted pattern of all Negro minstrels and principal problem confronting Miss Sullivan at this stage is the selection of the interlocutor and end men.

Further details of the project will be announced as rehearsals progress and Miss Sullivan has impressed upon the club membership the need for intensive work in its preparation.

Journalism Class Is Suspended At H. H. S.

First issue of The Piper has come from Hamlin High School and with it comes the information that no journalism class is active in the local system for this year.

Resignation of Mrs. Holly Toler from the faculty of the school left the faculty without a qualified head for this department. Issue of The Piper was placed in the Typing 2 department under the head of Mr. Gus Dixon.

HS Student Council Observes UN Day

Student Council of the Hamlin High School presented a United Nations Day Program to the school in a group assembly Tuesday morning.

W. L. Fletcher, president of the student council, directed the program.

Adell Altum, accompanied by Laura Courtney, opened the program by leading those assembled in singing "America."

"The Pledge to the Flag" was led by W. L. Fletcher.

Gus Dixon, a faculty member, gave a prayer for World Peace. Other speeches on the program were: "United Nations Day" by Robert Angel; "Preamble of the Constitution" by Jim Harwell; "How to Display the Flag" by W. T. Stapler; "Meaning of the Flag" by Gwen Norris; "United States Flag Message" by Gay Nell Stevens; "United Nations Flag Message" by Peggy Briscoe and a poem, "Be Strong" by Dorothy Altum.

The program was concluded with the singing of the song, "Blest Be The Tie" by the group.

SERVICES EACH TUESDAY

Rev. A. R. Posey conducts services each Tuesday night at the Oak Grove Baptist Church an announcement to The Herald stated. All people are urged to attend the services.

Holidays Named by Meet of Chamber of Commerce Here

The Hamlin Chamber of Commerce met in a breakfast session Wednesday morning for the purpose of selecting dates for official holidays for the months ahead.

It was agreed by the community organization that the merchants would observe Armistice Day on November 11 with appropriate closing on that day.

Thanksgiving was set to be observed on Thursday, November 23, and this will conform to the date listed on most calendars published for the year.

Christmas shopping and decoration season was established to begin on December 2 and plans are now being formulated for the proper ceremony to signify this date.

An unusually large attendance greeted President Eddie Jay and Mrs. E. M. Wilson, secretary at the breakfast meeting.

After disposition of the holiday problem, the Chamber of Commerce voted to institute a rat eradication campaign in Hamlin and information is being sought from government agencies as to how this can be best achieved.

Auto Theft Reported To Amarillo Sheriff

Police Chief J. H. Foster has reported to the State Highway authorities in Abilene the finding of a 1942 Oldsmobile sedan on the highway north of Hamlin.

The auto had been abandoned on the highway and remained for two days before a check was made as to its ownership. When it was reported to the Abilene office, it was determined that the license number was one that had been assigned to the Amarillo section. The sheriff in that city reported that he had received no theft report on the car and it is awaiting disposition from that office.

Scout Fund Drive Called Successful

An early morning breakfast Tuesday for workers and chairmen in the dawn-to-dusk Boy Scout fund drive found approximately 50 guests of Holly Toler at the high school cafeteria and a successful campaign was under way.

When the "dusk" portion of the day arrived the careful picking of working groups showed its anticipated result with over \$1,600 in the coffers of the Chisholm Trail Council for deposit in the F. & M. bank.

Audit Chairman Clyde Angel had been unable to complete his check of funds contained in the envelopes returned by the various group captains but it was estimated that the money would exceed the \$1,600 amount.

Thus Hamlin has again demonstrated that worthwhile projects receive their support in both a financial way and with concerted work on the part of the solicitation groups.

Common expression on the city streets Wednesday was that no man other than Toler could have received the wholehearted cooperation that went into the Tuesday campaign.

Sunday Set as Revival For Calvary Baptists

A Fall Revival for the Hamlin Calvary Baptist will begin Sunday, October 29, according to Bro. Leo Pate, pastor.

Prayer meeting services began at 7:00 p. m.; Song Services at 7:30 p. m. and Preaching services at 8:00 p. m. Day services will be held at 10:00 a. m.

Bro. Cleo Pate, twin brother of the pastor will do the preaching. He is from Cookeville.

A cordial invitation is extended to everyone to attend the services.

Mr. and Mrs. C. R. Reynolds, Sr. were business visitors to Fort Worth Tuesday.

In Mexico City there are no flies, insects or mosquitos.

You Get THE NEW U. S. NYLON LIFE-TUBES—
For blowout protection never known before.

Tire Rubber Economy
Never Possible Before!

THE longer life and greater rubber economy of the MID-CENTURY MASTERS prove them the essential tires of the era! Every ounce of them is working rubber, without a fraction of waste or excess. Each of them can give years, instead of miles, of extreme safety, and comfort. All of their original safety-mileage is continuously renewed and renewable, without recapping or anything of the sort. With Blackwalls, or Whitewalls, they bring every owner their Mid-Century Curb-guard, to protect their sidewalls and end all grinding curb scuff and abrasion. They also bring their incomparable Safety Tread (ROYALTEX)—for Skid Protection, Stopping Power, and Life Protection never possible before. These Royal Master qualities are entirely exclusive. They serve and save at the very heart of the National Economy.

ELECTED PRESIDENT OF THE AMERICAN GAS ASSOCIATION—D. A. Huley, president of the Lone Star Gas Company, Dallas. He was elected from over 10,000 delegates from all parts of the country and Canada.

Rev. Posey Concludes Lubbock Appearance

Rev. A. R. Posey, pastor of the First Baptist Church, led a revival at the Lubbock College Avenue Baptist Church which concluded Sunday.

As a result the church added 80 new members. Forty-four by baptism, 26 by letter and eight by confession of faith.

Song leaders were Lofton Bennett and pianist was Larry Conroy.

Mr. and Mrs. W. L. Boyd visited their daughter, Mr. and Mrs. Jack Hagelstein of Lubbock, and sons, Mr. and Mrs. Wright Boyd and Mr. and Mrs. W. L. Boyd Jr., and families in Lamesa over the week-end.

(Concluded from Page Two)

Harold Steele, October 24; Mrs. John Harold Steele, October 24; Mrs. Bob Williams, October 20; Mrs. J. M. Taylor and baby, October 21; Mrs. Lewis Woolf, October 23; Lucille Smart, October 25; Mrs. D. L. Kidd, October 23; Spurland Stone, October 22; Mrs. Joe Orrano and Hector, October 23; Lilly Ybarro and baby, October 25.

Edith Scott on TSCW Student Honor Roll

Edith Ann Scott, daughter of Mr. and Mrs. K. T. Scott of Hamlin, is among approximately 300 students at Texas State College for Women, Denton, who maintained a "B" average during their last semester at the college.

One of the privileges of being named to the "B" average list is class attendance exemption.

HAS ALABAMA GUESTS.

Mrs. W. H. Gilbert has as her house guests this week her cousin, Mrs. R. W. Patrick of Lisman, Alabama, and a friend, Mrs. Marvin Rainer of Pushmataha, Hall, Alabama.

Stadium was originally a Greek measure of length, approximately 600 feet.

Santa Fe Carloadings Show Dip for Week

Santa Fe System carloadings for week ending October 20, 1950 were 27,262 compared with 28,004 for same week in 1949. Cars received from connections totaled 15,085 compared with 12,345 for same week in 1949. Total cars moved were 42,347 compared with 40,349 for same week in 1949.

Santa Fe handled a total of 40,391 cars in preceding week of this year.

RETURNS TO GALVESTON.

H. L. Ezell of Galveston returned Tuesday after a 3-months visit with Mr. and Mrs. Arch Morris and Mrs. W. H. Gilbert.

Prefixes Fitz, Ben and Mac mean "son of."

Mary Martha Class Holds Tuesday Meet

Mary Martha Sunday School Class of the First Baptist Church was honored with a breakfast Thursday morning in the home of Mrs. W. Wallace.

It began with a prayer by the teacher, Mrs. E. N. Jenkins.

Devotional was given by Mrs. A. R. Posey on "Power of Words." Breakfast was served and games were played.

Special prayer was given for Rev. A. R. Posey, who was in Lubbock leading a revival.

Hostesses were: Mrs. W. Wallace and Mrs. Joe League.

Those present were: Mrs. H. B. Carter and Mrs. Mrs. E. M. Shadle of Aspermont, a guest; Mrs. O. R. Riddle, Mrs. E. N. Jenkins, Mrs. Edgar Duncan, Mrs. Onis Crawford, Mrs. Henry Albritton, Mrs. A. R. Posey, Mrs. Cecil Brown, Mrs. T. W. Fleniken, Mrs. Leslie Shelburne, Mrs. Edward Gardner, Mrs. Delbert Rountree, Mrs. Bill Maddox, Mrs. Sigmund Stovall, Mrs. Edd Decker and Mrs. W. Wallace.

Bobby Franks of the Marine Corps visited with friends here Monday and Tuesday and left Tuesday to visit his mother, Mrs. Mickey McGuire in Waco.

George Washington owned a set of the third edition of the Encyclopedia Britannica.

Assistant Named For County HD Agent

Mrs. Emabeth Towery began work as Assistant Home Demonstration Agent in Training with Loretta Allen, Home Demonstration Agent, in Jones County last Monday.

After her training here she will work in some county as a home demonstration agent.

She is a native of Albany and a graduate of North Texas State College, Denton. She served with the Red Cross immediately following World War II doing social and recreational work in Army and Navy hospitals.

She attended the American University in Washington while in Washington working for the Red Cross.

She has taught homemaking in Coahoma and Stanton.

Camp Fire Girls Pledge Halloween Protection

Kathleen Crawford, area counselor, stated that the Hamlin Camp Fire Girls will respect the property of others during the observance of Halloween as well as the other 51 weeks of the year.

As one civic-minded Camp Fire Girl put it, "For 51 weeks of the year, we try to make Hamlin a better place in which to live. So why should we spend the 52nd week tearing it down?"

This year it is especially fitting that they emphasize the safety

Sixth Birthday Party Honors Gloria Gould

Mrs. Don Gould honored her daughter, Gloria, with a birthday party on her sixth anniversary last Tuesday.

Outdoor games and story telling were played and directed by Mrs. J. E. Beard, kindergarten teacher, during which time movies were made of the children.

Refreshments of ice cream and birthday cake were served. Favors were story book and Halloween suckers.

Those attending were: Tommy Shelburne, Mary Louise Smith, Mary Margaret Maberry, Lou Ann Hawkins, Mark Smith, Johnnie and George Stoval, Linda and Terry Hudson, John Ferguson, Eddie Townley, O. H. Weaver, Jerry Strain, Barry Moore, Dottie Albritton, Nada Kaye Hassen, Omar Sadak, Gene Shelburne, Diane White, Jerry Duncan, Mary Debs Rountree, Larry Stephens, Bryan Terrell, Sunny Teague, Jerry Laverne Brewer, Gloria Rodgers, Bryan Shelburne and Brenda Gould.

Milk for human consumption is obtained from the cow, goat, reindeer, yak, zebu, buffalo, camel, llama and sheep.

them of this Fall Membership March. Special attention has been side of Halloween as safety is the placed on safety in the home, on wheels and as a pedestrian.

George Washington's cabinet was composed of secretaries of State, Treasury and War.

Warren G. Harding was the first U. S. president to speak over the radio.

BRYANT LINK CO.
Department Store

Seeing is believing

why no range is cooler
than a
modern gas range

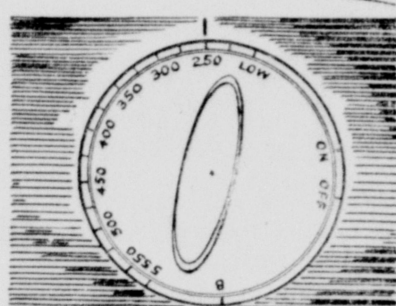

YOU know it takes heat to cook. No hokus-pokus or cock-eyed claims can change that. However, a modern gas range will keep your kitchen as cool as you can reasonably expect.

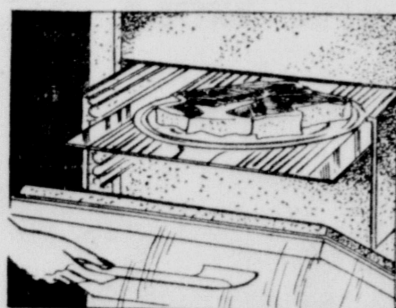

A low simmer flame, a little larger than a thimble, cooks vegetables in a covered saucepan. For any task, you can adjust a modern gas range for the lowest possible heat. You have dozens of heats to choose from, not just 5 or 7. Moreover, burners shut off instantly; no lingering heat pours into your kitchen.

If your range has its best days behind it, now is a good time to buy. But be clear-eyed, keen-eyed. Get a range with a record of proven performance; a range that will be repair-free. Get the range that's used by 96 out of 100 women in this area. Get a modern gas range.

On display almost everywhere.

Modern gas ranges roast meats at the constant low temperatures necessary for good results. Low oven temperature plus super oven insulation reduces oven heat loss, reduces fuel consumption, keeps kitchen temperature down.

Only modern gas ranges broil with the broiler door closed; keep hot, grease-laden air out of your kitchen. No open door—that's why it's cooler and cleaner, too!

Modern Gas Range

LONE STAR GAS COMPANY

Judge it on **RIDING EASE ... DRIVING EASE**

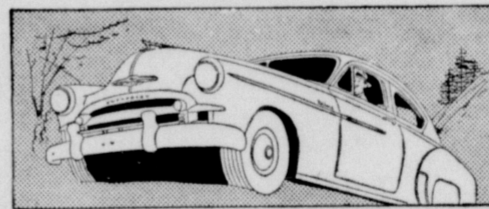

Your Best Buy—by All Odds

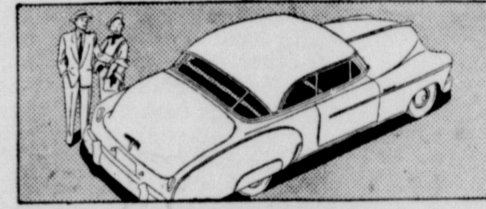

It rides more smoothly

You'll glide smoothly, steadily, safely over most roads in a Chevrolet—only low-priced car combining the Unitized Knee-Action Ride and airplane-type shock absorbers.

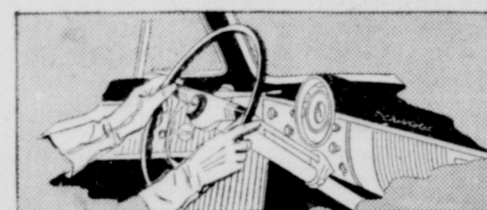

It operates more economically

You'll enjoy extra-fine performance and save money, too; for Chevrolet is the only low-priced car with a Valve-in-Head engine—trend-setter for the industry.

It's better looking—all around

You'll know it's more beautiful from every angle, inside and out; for Chevrolet is the only low-priced car with Body by Fisher—the standard of styling.

It drives more easily

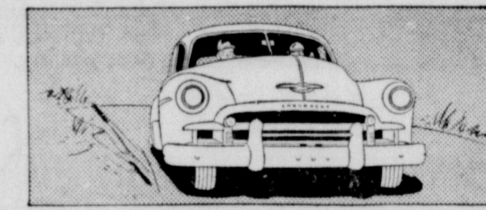

You'll enjoy finest no-shift driving at lowest cost with Chevrolet's famous Powerglide Automatic Transmission* . . . or finest standard driving at lowest cost with Chevrolet's Silent Synchro-Mesh Transmission.

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

It lasts longer, too

Chevrolet is built to outlast other cars. That's one reason why there are over a million more Chevrolets on the road than any other make—and why Chevrolet is America's most popular car, year after year. Come in and look it over.

It offers more for less—throughout

Think! Center-Point Steering; Curved Windshield with Panoramic Visibility; Fisher Uni-Steel Body-Construction; hydraulic brakes with Dual-Life rivetless linings. You get all these and many other fine car features in Chevrolet at lowest cost

LEE HOPPER'S

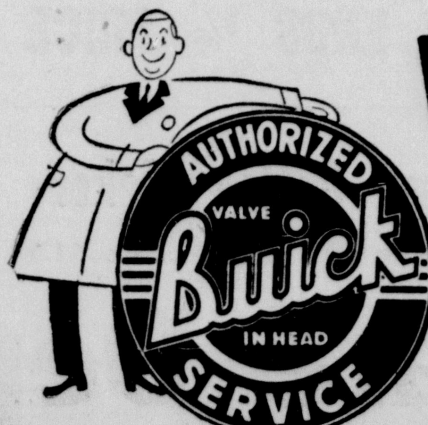

South Hamlin

THERE's a change of the year for your Buick, too, stalwart as it is! Hot summer driving has taken its toll—in played-out lubricants, spark timing that may have slipped off a notch or two over the many miles, a carburetor that would probably give you better mileage and *snap* if it were properly adjusted now for fall driving.

Point is—your Buick will feel a lot friskier in the trying days to come if you let your Buick dealer get those summer kinks out of its system now! Just drive in—say you want (1) a *fall tune-up* and (2) a *regular Lubricare*—and see how much rewarded you are, for a small fee!

Do it *this week*, will you? Before the rush, you can be served more promptly.

Put your Buick in Buick hands

McCaulley
News

By VIVIAN SHORT

Our little town seemed very
quiet this week on account of
school being out for fall pulling.
I do not have very much news as
they seem to be making money
instead of news.

Mrs. Buddy Gibson was admit-
ted to Hendricks Hospital in Abi-
lene last Wednesday for surgery.
She is reported to be doing nicely.

Mrs. Charlie Maberry of Lub-
bock visited over the week-end

with her mother, Mrs. A. M. El-
vans.

Margaret Darden of Abilene
spent last week-end with her par-
ents, the George Dardens.

Joan Ferguson was a patient
in Callans Hospital of Rotan last
Wednesday with a tonsilectomy.

Those attending the Fisher
County Quarterly W. M. S. Con-
vention at Sardis were: Rev. L. R.
Stucky and family and Mrs. W.
C. Kean, Mrs. George Darden
and Miss Ruby Hennington.

Our new native rock Post Of-
fice is nearing completion and is
going to be a beautiful building.
(I'll make a wager that we are
in it by Christmas.)

Sim Reeves Jr., son of Mr. and
Mrs. Sim Reeves of Fort Stockton
and a grandson of S. E. Miers,
won the grand champion prize o
his baby beef calf at the Amer-

ican Royal Stock Show in Kan-
sas City. is calf sold for \$4.10
a pound.

The entire community extends
sympathy to the bereaved in the
loss if their loved one, Mrs. G. D.
Davis. Mrs. Davis was a car
wreck victim and was buried
last Friday in the McCaulley
Cemetery.

R. L. Miers hands us his sub-
scription to The Herald. Thanks!

Miss Mary Ann McCollum of
Austin spent Saturday with her
parents, the Levi McCollums.

The Bill Keans were Saturday
visitors in the home of their
daughter, Mrs. Lawrence Brewer,
and family of Abilene.

Your reporter has just been
informed by two lucky people
from here at the Abilene Fair.
They are Miss Gertrude Mason
a hearing aid and Pat Rector a
check for \$25.00. Congratulations!

Roy Miers and family of Mem-
phis and Sim Reeves and family
of Fort Stockton were Sunday
visitors in the home of the George
Dardens.

S. E. Miers is visiting his
daughter, Mrs. Sim Reeves, and
family of Fort Stockton for a
few days.

Ollie Ray Hennington and fam-
ily of San Antonio were week-end
visitors in the home of his par-
ents, the O. T. Henningtons.

There is a flash of new cars in
Meauley again this fall. The proud
owners are: W. C. Kean and fam-
ily, a black 1950 Plymouth; and
the Ben Shorts, a Fog Green 1950
Plymouth.

A thought to remember—"We

Cooking School Has
Big Two-Day Crowd

Cooking School conducted last
Thursday and Friday at the High
School Auditorium was a great
success, according to information
received by a Herald reporter.

Fifty women attended the ses-
sions of the school each day. The
dealers also gave away numerous
prizes to attendants.

School was sponsored by: Carl-
ton Hardware & Appliance Co.,
Bryant-Link Co., Wilson Hard-

ware, City Electric & Plumbing
Co., Electric Service Co., Barrow
Furniture Co., Kincaid Appliance
Company, White's Auto Store
and Lone Star Gas Company.

Roscoe Downed-

(Concluded from Page One)

Hamlin was unable to regain the yardage lost and Rowland punted 30 yards to the Roscoe 18. Roscoe salvaged another first down just prior to the close of the third quarter which had been dominated by the Pipers.

Stapler halted this flurry with a pretty tackle for a loss on the Roscoe back and Hamlin took the ball on a punt which was followed by runs from Butler and Maberry which placed the ball squarely on the 50-yard line.

Don Rowland operated as the man under and hit Gregory with a 15-yard pass to erase a penalty but the attack stalled and Rowland punted short to the Roscoe 35. Pointer hit Don Snyder for one of his few pass completions and then Garland Fletcher broke through to nail Pointer for a 12-yard loss.

Pointer got off the best kick of the night when he punted 45 yards to Sugar Green on the Hamlin 28 but Sugar scrambled back 29 yards with the oval.

Maberry almost got away on his 30-yard scurry to the Roscoe 12 but here another 15-yard penalty halted proceedings and Roscoe held for downs on their own 18.

Guy Weaver burst through the middle to nail Pointer again for a loss and Green returned a punt 22 yards to the Roscoe 23.

Don Rowland lost no time in cashing in on this drive and lofted a beautiful pass to Loyce Hargrove in the end zone for the final tally.

Score: Hamlin 26; Roscoe 0. A fifteen yard return of Stapler's kickoff to the Roscoe 17 and three downs resulted in no gain as the game ended.

Final summary gave Hamlin 14 first downs to 7 for the Ploowboys. Hamlin completed three passes for 49 yards and Roscoe had three for 44. The Pipers were assessed 6 penalties for 60 yards and Roscoe suffered four for 30.

Roscoe gained 116 yards rushing and Hamlin marked up 271 over the ground route.

Pointer, Buckner and Burnett were best in the backfield for the Ploowboys and Archie Hunter was overshadowed for the night by the play of Dewey McAnear in the line.

To single out any Piper for his play would be an impossibility due to the coordinated manner in which the entire squad executed their assignments. It was the most encouraging performance a potentially strong Piper squad has staged in the season of play.

U. S. Presidents Wilson, Tyler and Cleveland married while in office.

New Year's Day is a legal holiday in all states except Kansas and Massachusetts.

Onions contain an oil, similar to that used in tear gas bombs.

Elephants, alligators, turtles and pool parrots have an average life span of 100 years or more.

When it's summer in California it's also summer in China.
